Answer

MINISTER OF STATE (IC) FOR LABOUR AND EMPLOYMENT
(SHRI BANDARU DATTATREYA)

(a) & (b): In view of the fact that large amount of expenditure is being incurred on Super Speciality Treatment through outsourcing, The Employees' State Insurance (ESI) Corporation, in its 167th meeting of ESI Corporation, has decided to establish Super Speciality/Speciality facilities in various hospitals through In-House Development or Public Private Partnership mode. At present there is no proposal to stop empanelment of hospitals for providing referral treatment.

(c) & (d): The information is being collected and will be laid on the table of House.
